

TESDA CIRCULAR

Subject: Implementing Guidelines on the Deployment of Training Regulations (TRs), and Conduct of Competency Assessment and Certification for Computer Systems Servicing NC II		Page <u>1</u> of <u>5</u> pages Number <u>18</u>, series of 2015
Date Issued: June 3, 2015	Effectivity: As Indicated	Supersedes:

In the interest of the service and to provide quality and uniform program delivery, as well as ensure efficiency and effectiveness in the deployment of **Training Regulations on Computer Systems Servicing NC II** and **implementation of competency assessment and certification**, the following Implementing Guidelines are hereby issued:

I. BACKGROUND/LEGAL BASIS

1. TESDA Board Resolution No. 2013-13 dated December 17, 2013: Approving the Amendments for the existing Training Regulations for Consumer Electronics Servicing NC II and Computer Hardware Servicing NC II.
2. It is the policy of TESDA to review Training Regulations promulgated by the TESDA Board three (3) years or more after their promulgation.
3. The *Computer Hardware Servicing NC II* was re-titled to **Computer Systems Servicing NC II**. This TR, as amended covers installation, configuration and set-up of computer networks as well as set-up of computers servers. The TR likewise covers the maintenance and repair of computer systems and networks.
4. The Electronics Industries Association of the Philippines, Inc. (EIAPI) has reviewed and endorsed the abovementioned Training Regulations.

II. OBJECTIVES

1. To enhance the Training Regulations to better respond to demands of the industry of providing competencies that are readily employable, environment-friendly and compliant with the industry requirements for both clients and the electronics and IT-support industry workers.
2. To strengthen the industry-academe linkages to address the "skill-job mismatch" in the sector.

III. COVERAGE

1. Existing registered programs (WTR) and assessment and certification related to the Computer Hardware Servicing NC II as well as applicants for registration of new programs under the Training Regulations for Computer Systems Servicing NC II shall be covered by this Circular.

TESDA CIRCULAR

Subject: Implementing Guidelines on the Deployment of Training Regulations (TRs), and Conduct of Competency Assessment and Certification for Computer Systems Servicing NC II		Page <u>2</u> of <u>5</u> pages Number <u>18</u> , series of 2015
Date Issued: June 3, 2015	Effectivity: As Indicated	Supersedes:

IV. GENERAL POLICIES

- A. The existing promulgated TRs for Computer Hardware Servicing NC II promulgated last March 18, 2005 **is deemed superseded** by this Circular.
- B. To ensure the utilization of this TR, all Regional/Provincial Directors shall immediately advocate/encourage and facilitate the registration and re-registration of program.
- C. The provisions of the TR for Computer Systems Servicing NC II as stated below shall serve as baseline requirements in program registration:

1. Competency Standards

Common Competencies

Existing Promulgated Training Regulations (Board Resolution No. 2005-03)	Amended TR (Board Resolution No. 2013-13)
1. Apply quality standards 2. Perform computer operations 3. Perform mensuration and calculation 4. Prepare and interpret technical drawing 5. Use hand tools 6. Terminate and connect electrical wiring and electronic circuits	1. Apply quality standards 2. Perform computer operations 3. Perform mensuration and calculation 4. Prepare and interpret technical drawing 5. Use hand tools 6. Terminate and connect electrical wiring and electronic circuits 7. Test electronic components

Core Competencies

Existing Promulgated Training Regulations (Board Resolution No. 2005-03)	Amended TR (Board Resolution No. 2013-13)
1. Install computer systems and networks 2. Diagnose and troubleshoot computer system 3. Configure computer systems and networks 4. Maintain computer systems and networks	1. Install and configure computer systems 2. Set-up computer networks 3. Set-up computer servers 4. Maintain and repair computer systems and networks

Date Issued: June 3, 2015	Effectivity: As Indicated	Supersedes:

2. Nominal Training Duration

Existing Promulgated Training Regulations (Board Resolution No. 2005-03)	Amended TR (Board Resolution No. 2013-13)
Competency Category ➤ Basic Competencies 18 hrs. ➤ Common Competencies 18 hrs. ➤ Core Competencies <u>320 hrs.</u> Total 356 hrs.	Competency Category ➤ Basic Competencies 40 hrs. ➤ Common Competencies 80 hrs. ➤ Core Competencies <u>160 hrs.</u> Total 280 hrs.

3. Trainee Entry Requirements

Existing Promulgated Training Regulations (Board Resolution No. 2005-03)	Amended TR (Board Resolution No. 2013-13)
1. Can communicate either oral and written 2. Must be physically and mentally fit 3. With good moral character; and 4. Must pass the trainability/ aptitude test	1. Can communicate either orally or in writing; 2. Must pass the trainability/aptitude test* <i>* Depends on the available trainability/aptitude test of the training provider</i>

D. PROGRAM REGISTRATION

- All registered programs related to Computer Hardware Servicing NC II shall be subjected to migration **within a period of one (1) year upon the effectivity of this Circular**;
- Programs which are not migrated within the prescribed period shall be subjected to closure proceedings in accordance with the UTPRAS guidelines (TESDA Order No. 45 series of 2007);
- All Regional/Provincial Directors are hereby instructed to process applications for program registration **not more than thirty (30) working days** upon receipt of completed documents in accordance with the UTPRAS guidelines checklist.

Date Issued: June 3, 2015	Effectivity: As Indicated	Supersedes:

E. TRAINER'S QUALIFICATIONS

Existing Promulgated Training Regulations (Board Resolution No. 2005-03)	Amended TR (Board Resolution No. 2013-13)
1. Must be a holder of NC II or its equivalent qualification 2. Must have completed training on Training Methodology II (TM II) 3. Must be physically and mentally fit 4. *Must have at least 2 years relevant job/industry experience 5. Must be a civil service eligible (for government position or appropriate professional license issued by the Professional Regulatory Commission) *Optional: Only when required by the hiring institution.	1. Holder of National TVET Trainer's Certificate (NTTC) Level I – Computer Systems Servicing NC II 2. *Must have at least 2 years relevant job/industry experience *Optional: Only when required by the hiring institution.

F. ASSESSMENT AND CERTIFICATION

1. The assessment and certification of Computer Systems Servicing NC II shall follow the Quality Procedures Manual on Competency Assessment and Certification and the provisions in Section 4 – Assessment and Certification Arrangements of said TR.

G. CONDUCT OF COMPETENCY ASSESSMENT

1. Qualification of Competency Assessors

For Trainer-Assessor

- Holder of National TVET Trainer Certificate Level I (NTTC I) on Computer Systems Servicing NC II with at least 2 years relevant job/industry experience

TESDA CIRCULAR

Subject: Implementing Guidelines on the Deployment of Training Regulations (TRs), and Conduct of Competency Assessment and Certification for Computer Systems Servicing NC II		Page <u>5</u> of <u>5</u> pages Number <u>10</u> , series of 2015
Date Issued: June 3, 2015	Effectivity: As Indicated	Supersedes:

For Industry Assessor

- Holder of National Certificate in Computer Systems Servicing NC II;
- Holder of Certificate of Competency (COC) in Conduct Competency Assessment under the Trainers Methodology Level I (TM I); and
- Must have at least 2 years relevant job/industry experience

2. Assessment Fee

The assessment cost for Computer Systems Servicing NC II shall be based on the NEDA approved fees in the amount of Php 350.00.

3. Integrity Fortification

Integrity fortification of assessment and certification shall be strictly adhered to through the implementation of the following measures:

- Pre-scheduled assessment
- Presence of a technical TESDA Representative during the entire conduct of assessment

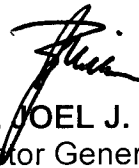

4. Mandatory Assessment

4.1 All TVIs with UTPRAS-registered programs on Computer Systems Servicing NC II must ensure mandatory assessment of their graduating students.

4.2 The list of persons certified under Computer Systems Servicing NC II will be uploaded in the online Registry of Certified Workers.

V. EFFECTIVITY

This Circular shall take effect as indicated and supersedes all other issuances inconsistent hereof. Wide dissemination of this Circular by all concerned is hereby enjoined.

SEC. EMMANUEL JOEL J. VILLANUEVA
Director General
